Wood's Special Prices for Market Gardeners and Truckers

These prices are for the exclusive use of Market Gardeners and Truckers who, on account of the large quantities of seeds they require, are entitled to these special prices.

Prices quoted effective January 22, 1952, are subject to change without notice. All prices are F.O.B. Richmond, Va. If to be sent by parcel post, postage must be added to the remittance.

TERMS are net cash with the order unless you have an account with us or can give us satisfactory references.

WOOD'S SEEDS ARE TESTED And we know that they will grow before they are sent out. Even then they occasionally do not come up, due to causes over which we have no control, such as covering too deeply or not deeply enough; too little or too much moisture, cold weather, insects or a crust through which the sprouts cannot penetrate, etc.; therefore, **T. W. Wood & Sons** warrant to the extent of the purchase price that Seeds, Bulbs and Plants sold are as described on the container, within recognized tolerances. We give no other or further warranty, express or implied.
